

ARCHERY

Diablo-Bowmen.org | Oak Hill Ln, Clayton, CA | 925-381-4590

Work Parties

On Nov. 2 and Nov. 9, 8:00am, we need to start the erosion control this Saturday before the rain. We need volunteers to rake, throw out seed and straw/wood chips.

We have only two work parties this month and will return to our regularly scheduled work party December 7th.

Installation Banquet

Dec 28: please save the date! We are planning our annual installation banquet at Zio Fredo's in Pleasant Hill.

Details will follow via Bulletin.

President's Message

By Angel Yarnell

The rehabilitation progress continues at a very good clip. With the winter weather growing near we will begin the anti-erosion phase on the vulnerable areas now. A full description of that phase will be discussed at November's meeting. We will also discuss the updates on the range rehabilitation in general and near future phases as well. Don't forget that this meeting is also the election meeting and a good time to socialize with fellow members.

We continue to receive support from sister clubs, individuals and local businesses as well as our members providing long work hours, financial support and donating food to feed our volunteers.

Although we do thank those clubs and businesses for their support it is

Election Meeting

The membership meeting and elections will be held after the work party at Mountain Mike's Pizza in Clayton on Nov. 2, 7pm.

Please feel free to come early if you would like to purchase Pizza and Drinks!

This is an important meeting as we will have a fire recovery update and elections.

Fat Shafts Archery Diablo Bowmen Benefit Shoot

by Angel Yarnell

I want to thank everyone who came out to shoot at Fat Shafts Archery on Sunday. We had a great time. What a super supportive group of archers Fat Shafts has out there working.

With the help of Fat Shafts Archery we were able to make a large addition to our relief fund and practice our indoor shooting skills. If you have pictures please share them.

best to show your appreciation by patronizing those entities. So remember when sister clubs hold their novelty shoots make sure you attend those when you are able and not only have a good time but also show our support of their club. As well with businesses that have been supporting our club please give your business to them. When you need those archery products go and visit Fat Shafts or West Coast Archery. When you need to rent a piece of equipment go visit Wally Rents. This is a good way to show our appreciation for their support of our club in our time of need.

We will not be scheduling our December membership meeting on the usual date of the first Saturday. We will have a short membership meeting at the beginning of the Installation Banquet on December 28, 2013. Details regarding this event will be forthcoming via Bulletin so keep an eye out for that information.

Don't forget the bowl is currently open and some of us need that practice!!

Happy Shooting, Angel

Work Party Report

by Bill Potts

Holy Cow did some work get done on Saturday (and every other previous weekend), but look what we completed on Saturday!

1. Massive quantity of tree tree trimmings chipped on Regalia, it is now clear from the gate all the way out to the location of the Winter Shack. Thanks to Brian Slattengren for picking up and returning the chipper and the volunteers.
2. Bridge at Target three completed! Thanks Pat and crew.
3. Rest of the metal from 3D trailer is gone! Thanks member Joe Manns for taking care of this.
4. Pergola moved over BBQ area. Thanks Dan Wright and Clean!
5. Concrete pads poured for T 49 and 45 yd bowl target. Thanks Jerry Hunt and Troop 202
6. Target butts installed on T 48, 50, 52, 49 will go in this Saturday and Cruse will be ready after steps are done. Thanks Gavin and T 202
7. Regalia will be ready to shoot, after we install Target butt's at 4, 9 and 13 this Saturday!
8. New range vehicle put in service, boy is it nice to have and by the way, it holds a target butt in the bed no problem. Thanks Sharla for making this happen!

Nominations for Officers and Board Members 2014

The following nominations have been made:

President	Angel Yarnell
VP	Pat Miller
Secretary	Sharla Rush
Treasurer	Marlene Kinney
2 yr. Board Member	Cleon Winter
1 yr. Board Member	Dan Wright and Shannon Barnett

The elections will be held at the Saturday, Nov. 2, 2013 membership meeting.

The location will be Mt. Mike's Pizza on Clayton Rd. in Concord. The meeting starts at 7 p.m.

Unfortunately the club will not be providing dinner as in the past due to the fire. We encourage you to arrive early and buy your dinner to support Mountain Mikes who is providing the room at no charge.

Volunteers Rebuilding the Range

We had many volunteers once again, some of our members and a large group from Black Mountain Archers, working with Brian who brought in the large chipper. We also had a couple boy scout troops who worked on the Cruse Round, putting in target butts and cement pads.

Wood Chipper

Jerry Hunt building a concrete form for the 45 yd practice target pad.

Past Work Parties

The work party on Oct. 12, 2013 was another great showing of support from our own members, Silverado members and I know there were other individuals out there not connected to an archery club. Diablo Bowmen thanks all of you for your support.

I have a great picture of Brian running his monster tree moving machine. That large tractor is a savior.

Lunch once again was donated by members Chuck and Sharla. Chuck cooked some wonderful chili, brought tortillas and 8 homemade pies. They were all delicious. Sharla donated a most colorful fruit salad and torta bread for the meat. The club had meat in the freezer left over from a pre-fire event. Brad and Angel did the BBQ for sandwiches.

We got so much work done on the Regalia. It's looking good.

We will start working on putting up the target butts next work party and also more erosion prevention. with wood chips.

Thanks Dan from Silverado Bowmen for donating benches and bow racks.

Diablo Bowmen Crew

Come join us for a benefit shoot to support Diablo Bowmen's relief fund!

As many of you know, Diablo Bowmen suffered great loss to their range and equipment in the Morgan Fire. West Coast Archery Shop is hosting a 300 round shoot to help them rebuild (60 arrows, 5 spot target, 20 yards).

Sunday, December 15th 9am, 11am, or 1pm

West Coast Archery Shop
2040 Petaluma Blvd. North #10
Petaluma, CA 94952
(707) 766-9971

\$25/participant (Make checks payable to Diablo Bowmen)

Pre-registration and payment can be sent to West Coast Archery Shop (mailing address is above) to reserve your space.
