Outreach Program

By Kent Swindell

First, I want to thank all those who came out to help with the **girl scouts** on April 27th:

- Stacie and Kayla Kiersted
- Erin Pelkey
- Al Alioto
- Thor Skonnord
- Dave McHuron

We had 25 scouts and adults with another beautiful day at the range with a light breeze. A good time was had by all, even the volunteers. It started about noon. At 2pm we, had lunch and shot a few more times in the practice area. Then, we went out and shot 3 or 4 targets on the Regalia round. We finished at 4pm. There were a lot of thank yous from the scouts and their leaders for letting them come up and shoot some archery. Thanks again to all those who helped make this another successful scout day at the range.

President's Message

By Angel Yarnell, President

Hello Diablo Members:

We are moving right along with our recovery progress. Now we are busy planning and getting ready for the 2014 Cartoon Shoot on May 18. I hope to see support on the range for the shoot work party Saturday, May 17. Then we will set our sights on getting ready for the June Open House set for Saturday, June 21st. If you can help with the Open House event please email me or Sharla to sign up.

We will have a special guest at the May 18 shoot. Wilderness will be setting up a vendor trailer there. You may want to come by just to visit his mobile shop that day. Many of us do not get a chance to do that since they are a little ways away. We will also have a quiverless quiver vendor – something new you might want to check out. So you are welcome to come out and check out the vendors even if you are not working or participating in the shoot that day.

The summer deluge of shoots is coming soon so make sure you check out your equipment now with thorough maintenance. Check your string and bolt on "bells and whistles" as our beloved Greg used to refer to them. Regardless of what style or class you shoot just get out there and shoot. You can shoot our 900 Round (which will be changing dates come June), our club shoot or any of the other shoots at sister clubs. For those dates check the CBH shoot calendar or the calendar in this newsletter.

Happy Shooting,

Diablo 900

By Cleon Winter

The weather was great for the Diablo 900 in April, but we only had 4 shooters. It is a lot of work to put one of these shoots on. Some shooters think it might be because it is on a Sunday. Saturday might work better. So after May's shoot, if we still don't have a good turn out, we will go to a Saturday. I have 5 targets that I put up every month so it would be helpful if you could RSVP me. Some shooters don't know until the day of the shoot if they can make it. You can still come on out and shoot. The new winter shack will be up and running by June. If you have been up shooting the Regalia round you have seen the building go on. I hope to see a lot of you at May's 900 round.

Scores are posted online under [scorecards](#).

Hunt News

Tony Su has managed to get his turkey on! Check out this nice bird Tony shot with his bow a couple of weeks ago on his way home from work. It looks like camo clothing is overrated when you can get this in a shirt and tie! Please remember to send me your pics and stories, big or small so we can share with our fellow bowhunters and enter to win the bowhunter of the year.

Club Shoot

by Gavin Cox, Club Shoot Chairman

I would like to thank all of you for your support and participation in the monthly club shoots this year. So far we have had a lot of shooters in fact I'm told the March shoot was a record turnout with 30+ shooters.

As you know, I have taken over the club shoot from Cleon so he can concentrate on the 900 Round. I recommend you try the 900 Round. It is Olympic style shooting and a lot of fun. If interested, please email Cleon at cleon.winter@gmail.com so he can get an accurate count of participants that will be there on the day of the shoot.

I would also like to thank Jon Moss for handling the scoring and a special thanks to Mark Fowler for his world class lunch cuisine. Without them none of this would be possible.

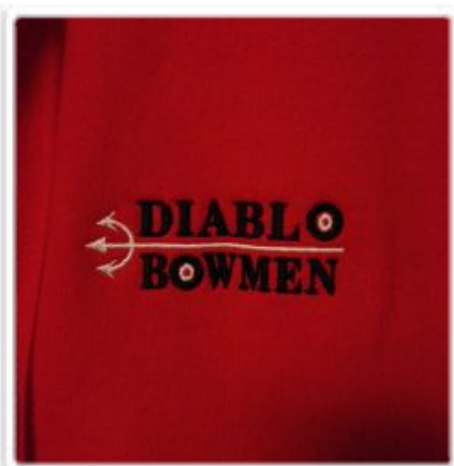

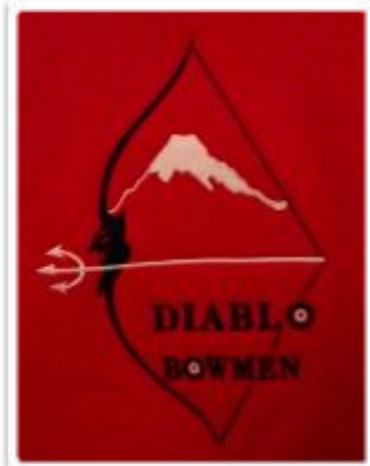

As many of you know, I was lucky enough to win the meatball at the April Shoot. It was \$96.00 after taxes. That money will be set aside and used to purchase material once we begin construction on that Cruse Round Shack rebuild project.

There will be cash prizes in each category at the end of the year as well as the raffle and top overall shooter. The more participants the bigger the prizes.

Thank you again for all your support.
