Diablo 900 Update

by Cleon Winter

We had good turn out for August 900 round. We had a few new shooters. They all had a good time. We even had two Youth shooters. We need more youth to come out. The high score for the day goes to Anton Pritz with a score of 846.

There will be no shoot for October. See you in November. Look on our website under scorecard for your scores. For inquiries, contact Cleon Winter at 925-628-9951.

President's Message

By Angel Yarnell, President

Hello Diablo Members:

I hope you all have been out there enjoying a great summer. Fall is almost here and hopefully it brings cooler weather. This month we have the Greg Tobler Family Fun Day event for Diablo members set on Sunday, September 21st. Information was sent out to all members via bulletin with a deadline to RSVP on Sept. 14th. I hope you are able to attend and sent your RSVP to Sharla. This is a great event for members to be able to enjoy their own range and hangout with fellow members.

Next month we have our open shoot the Boo Shoot set for Sunday, Oct. 26th. Flyers have been distributed to sister clubs and pro-shops. You can find additional copies in the club house. Keep an eye open for an email request for volunteers to man positions that are necessary for our club to have a successful open shoot and a good way to make your work hours.

Congratulations to member Dave McHuron who is now a Level IV Archery Coach. He has done the work to study and pass the requirements. That is a great accomplishment.

Keep in mind that nominations for the 2015 Officers and Board Members will open at the October general membership meeting and remain open until the beginning of the November general membership meeting. See the Bylaws for an explanation of the duties for each position. The positions available for nominations are: President; Vice President; Secretary; Treasurer; 2 Year Board Member; and 1 Year Board Member.

Happy Shooting!

Range Report (9/6/14)

by Pat Miller, Vice President

Ron & Joe cut weeds at the main gate and containers. Job well done. Other helping hands glued Boo targets and did a perfect job!!

Work continued on target 18 back stop. We poured 24 bags of concrete on 4 piers and we still have 4 more to go. All practice bales were tightened up and new rubber tops were installed. Nice job to all the members who came out and worked in the heat.

Please thank Cleon and Kent for installing the rubber back stop material at target 10. It looks great.

Club Shoot News (8/9/14)

by Pat Miller, Vice President

Aeolus (The King of Winds) tormented the lucky 13 shooters that participated in the August club shoot.

You could tell the hunters of the club, they were able to buckle down and not let the wind cast there arrows in ill-fated directions on target 2.

If you are in need of tips on how to shoot in the wind, just ask Anton Pritz or Tony Fray. Anton shot 495 and Tony shot 507. Nice shooting guys!

Hunt News

by John Rush, Hunt Chair

Do we have any bowhunters in the club? I have only received feedback from two members for the Hunter of the Year Award.

Please send in your info if you wish to brag about your successful hunt to DiabloBowmenSecretary-Sharla@yahoo.com. The award and any noteworthy acknowledgements will be given at our annual installation and awards banquet.

Deer Season has begun in California. I have already seen success from the A zone and D_{3,4,5} Zone. The pigs will be back at Lake Sonoma in November and it would be nice to see a group of Diablo Bowmen up there!

Cookshack News

by Sharla Rush, Secretary

Calling all spooktacular cookshack volunteers!

The time is coming for our annual Boo Shoot. This year's event is Sunday, October 26. We will need a full crew to serve this ghoulish bunch.

Sign up early to guarantee a safe spot in the main Cookshack or one of our "haunted shacks" on the range by emailing DiabloBowmenSecretary-Sharla@yahoo.com.....if you dare!

Outreach Program

by Kent Swindell, Membership Chair

These are the classes that came up last month:

Aug 3

There as a father and son that came up so the son could learn archery.

Aug 10

We had 30 boy scouts and 2 adults that came up and shot and received their archery merit badges.

Aug 16

We had a family of 6 that redeemed their certificate for the lessons.

Aug 27

We had 21 shooters, girl scouts and leaders. It was quite warm but we got through it and as usual fun was had by all. Thank you Randy Cullar, Anton Pritz and Dave McHuron for all your help making the day a success.

Boo Shoot Fun For Members

If you would like to decorate a target for the Boo Shoot please email your request and idea to Angel for review. The decoration must not interfere with the shooting line nor the target face. There is no contest nor work hours for this as it is just for fun. The decoration will take place during the Oct. 25 work party only.
