## President's Message

By Pat Miller, President ([diablobowmenpresident@gmail.com](mailto:diablobowmenpresident@gmail.com))

Hello Members of Diablo Bowmen,

I am honored to serve as your President and look forward to the challenge ahead to help run the club with the help of the board members. Some old, some new. We will hold the first board meeting in February after our club meeting to discuss this year's calendar of events.

Shoots that are already on our schedule:

- Winter Hunt Jan 25th
- Red Devil May 17th
- Regional club shoot Oct 11th
- Boo Shoot Oct 25th.

I look forward to working with all of you to better promote archery, and for the betterment of our club.

We have had tremendous progress this past year rebuilding our range and the Dixon round is nearly ready to open. I'm looking forward to the day we can enjoy the Jones round especially target 32 (40 yards shot across the creek) with the creek flowing. I think it's one of our most picturesque shots on the range.

Thank you all for your countless hours of work.

## Shooter's Corner

*By Pat Miller, President*

We had 11 shooters for December club shoot. Kent Swindell shot his personal best score (464). Carol Jorgenson shot her new bow. Trad gang was there. Bill and Rick spilt the meatball. Fun had by all. Member changes shooting style at the club shoot... looked like Zorro! Who was that masked man?

Remember the state indoor this month is at several locations.

## 900 Roundup

*By Cleon Winter, Board Member*

I hope everyone had a great Christmas and a happy new year. The 900 round will start up in February. I will be serving lunch again to those who RSVP. Shoot fees are \$8 for members and \$9 for guests. Lunch will cost \$6 for members and \$7 for guests. Registration starts at 7:30am to 9:00am. Shoot starts at 9:30am.

I will be doing the Winter Hunt this year on January 25, 2015. Volunteers are needed for the cookshack, registration, scoreboard, and parking. If you could do one of these, it would help out a lot.

See you at the 900. RSVP by calling me at 925-628-9951 or emailing me at [cleon.winter@gmail.com](mailto:cleon.winter@gmail.com).

## December's Club Shoot

Club shoots are for all members and guests! So don't think you need to be a pro to participate. All archery shooting styles and skill levels are welcome to join.

# Planting Trees at the Regalia Round

*By Angel Yarnell, Past President*

Dave McHuron spent a Saturday planting 30 trees in the Regalia Round. The trees were donated by his brother who grew them in his backyard.

Dave has 20 more trees to plant. If you are interested in helping, give him a call at (925) 672-3846.

## Range Report

*By Bill Jorgensen, Range Manager*

At the January work party, we were able to install the last three target bales on the Dixon round and clear trees that were in the way. We still have to install some steps and move one more target a few feet before we can open the round. Any help you can provide at the February 7th work party would be greatly appreciated. We also got a bunch of targets glued up as well as clearing out some of our drainage ditches.

Thank You to everyone that came out and helped, see you on February 7th.
