
DIABLO BOWMEN

Oakhill Ln, Clayton, California

President's Message

Hello Members of Diablo Bowmen,

Hopefully, by this time all the members know that Morgan Territory road was opened on Thursday, the 12th on temporary status. The county has installed temporary signals for one-way traffic. Please listen for sirens before accessing the one way section.

The road will remain open 24/7 as long as the site conditions will allow. Please be aware that at any given time, the road may be closed. Let's all pray for no more rain. With all these variables, the board has decided to cancel our May Red Devil shoot. The Board has decided to host a Family Fun day Saturday May 20th details to follow.

I have not yet heard from the county about the possibilities of a temporary Road through our property When I am notified, I will be sure to let you know.

Update from county about other properties. Public Works Real Estate Division has signed agreements with all property owners on Leon Drive and a verbal commitment from the multiple owners/trusts on the Pacini parcel and we anticipate signed agreements in the next 1-2 weeks. Design and environmental clearance for

900 Shoot

The 900 round for April 29th has been canceled due to a very wet target area from all the rain and water seeping from the hillside.

The first 900 round for the year will be May 27th. If you are going to shoot, please RSVP. Lunch will be provided only if we have enough shooters attending.

See you on the range.

- MAY-27th
- JUNE-24th
- JULY-29th
- AUGUST-26th
- SEPTEMBER-30th
- OCTOBER-NO SHOOT
- NOVEMBER-25th
- DECEMBER-NO SHOOT

this temporary access is proceeding simultaneously. Upon completion of these items and favorable weather we will commence with improvements for an alternative access, but cannot state a completion date at this time.

The range is looking nice thanks to some dedicated members. Our May club meeting will be held at the range on Saturday, May 6th. We will also have a work party from 8 -12... with lunch following.

Please plan to attend our club shoot the following Saturday, May 13th to enjoy the fruits of your labor. Remember, you don't have to be a pro to shoot.

Pat Miller
Diablo Bowmen President

Outreach Program

The road closures of February and March slowed down our ability to provide our outreach programs to the surrounding communities and our members. Thankfully, with access to the club now provided, we are gearing up for a wonderful outdoor season. Our thanks to the members who joined the “mini-work parties” and got the practice range ready to shoot. We are in the process of scheduling quite a few activities in the next couple months. I have several girl scout troops and social groups who are interested in coming out to learn to shoot. If you are interested in supporting the archery lessons and I have not yet contacted you, please send me an email with your name, and the best way to reach you, and I will add you to my list.

In addition, I am looking for interested 9-18 year old archers that would like to join a youth league at Diablo. We will be working on form, safety, and competition opportunities. I am working out the schedule for practice, but would greatly appreciate any interest in this type of activity. I have completed the coursework through Scholastic 3D Archery and am excited to bring this connection to Diablo! If you are interested, Please email me with name, parent name, type of bow, and age.

Melissa Pool
Outreach Manager

Range Report

The range is looking nice with all the rain we have had. We have been able to get some weed eating, mowing and spraying done while the road had limited access, thanks to those that came out. We also got a new bale installed in the practice area and rubber put up on the back stop behind target 18 on the Dixon round. Pretty darn good!

Rattle snake season is here, be careful out there. We will widen the trails as much as we can to limit snake surprises! Tick season is also here, use bug spray on your lower extremities to keep them at bay. We will have a work party and lunch on May 6th (0800-1200), we would love to see you come out and help make your range beautiful.
